

20V Li-Ion Battery 4.0Ah

4.0Ah

The Triton T20HCB high-capacity 4.0Ah lithium-ion battery provides longer runtimes and extended battery life to all products in the Triton T20 range. Featuring energy-efficient premium brand lithium-ion cells with very low self-discharge, the battery pack provides long-lasting performance and can be recharged at any time for maximum productivity and reduced downtime.

- High capacity 4.0Ah lithium-ion battery provides longer runtime and increased battery life
- No memory effect and extremely low self-discharge for maximum productivity and reduced downtime
- Samsung ICR 18650 cells and intelligent battery charging system
- Compatible with all products of the Triton T20 range

Technical Specification

Product Height	72mm
Product Length	117mm
Product Width	80mm
Product Weight	0.38kg
Battery Type	4Ah Li-ion Samsung (SDI INR18650-20R cell)

Compatible With

Tri ton T20 Range
