

350W Oscillating Tilting Table Spindle Sander 380mm

TSPS370

Offering outstanding performance, Triton's TSPS370 Oscillating Tilting Table Spindle Sander creates a precise, burn-free finish on woodworking projects every time. The sander features a dual-action rotational and vertical oscillation spindle that improves material removal and work rate, and allows faster, burn-free sanding. The large, cast aluminium table tilts 0–45° and supports mid-range workpieces, allowing full control while sanding and chamfering edges either completely flat or at an angle. " Supplied with sanding sleeves and drums ranging from 14 - 51mm diameter, the versatile TSPS370 will sand a variety of intricate workpieces with ease. The unit houses a powerful 350W induction motor with sealed zero-maintenance bearings, and offers on-board storage for all the included accessories. The vented table inserts and under-table dust extraction channel can be connected to a dust extraction system for easy dust removal and a cleaner, safer work environment. Kit includes 6 x table inserts, 5 x drum washers, 4 x drums, 5 x sleeves and 2 x accessory storage units.
