

Quick Clamp 300mm

TQC300 300mm

Durable, glass fibre-reinforced nylon construction and tough, forged steel rail with corrosion-resistant, black-oxide coating. Lever clamping action with simple, one-hand operation and instant release button. Precise control over clamping pressure. Durable, non-marring and non-marking protective jaw pads. Quick-twist lever turns the clamp into a spreader.

Technical Specification

Product Height	230mm
Product Length	490mm
Product Width	350mm
Clamping Force	150Nm (150kg)
What's in the box - 01	1 x 300mm Triton Quick Clamp
