

# AutoJaws™ Face Clamp

## TRAAFC3 3" (75mm)

Durable all-steel construction and 2 tone soft-grip handles for enhanced grip and user comfort. AutoJaws™ technology self-adjusts to material thickness and allows for one-handed clamping. Patented cam-lock mechanism maintains consistent clamping pressure at any material thickness without re-adjustment. Multi-purpose clamping system ideal for use with the Triton Pocket Hole Joinery range.

## Technical Specification

<b>Product Height</b>	340mm
<b>Product Length</b>	134mm
<b>Product Width</b>	40mm
<b>Product Weight</b>	0.575kg
<b>Clamping Force</b>	11-181kg
<b>Finish</b>	Galvanised
<b>What's in the box - 01</b>	1 x Auto-Adjust face clamp
<b>Material - Primary Construction</b>	Carbon steel

## What's in the Box

- 1 x Auto-Adjust face clamp
