

T12 Swivel Head Torch Bare

T12FL

The T12FL Swivel Head Torch provides exceptionally long runtime: more than 10hrs with the T12B 1.5Ah battery and more than 20hrs with the T12HCB battery. The durable T12FL case and LED lamp provides a robust go-anywhere torch. T12 Li-Ion battery packs have incredibly low self-discharge rates which means a torch that is always ready to be used even months after the battery has been charged. Compact and lightweight, the T12FL Torch features a rubber over-moulded grip and rubber-coated on/off switch for weather resistance, and the 135° swivelling head allows light to be directed exactly where it's needed.

- Swivel head with 135° angle adjustment in 15° increments
- 1W LED lamp
- Durable case and rubber over-moulded grips
- Powered by T12 range batteries
- Exceeds 10hrs use with T12B and 20hrs use with T12HCB
- Water-resistant rubber-coated on/off toggle switch
- Batteries and charger sold separately
