

420W Compact Palm Planer 60mm

TCMPL UK

Compact yet powerful palm planer, which is light, easy-to-handle and includes all the features of a conventional sized planer and more. Utilising twin 60mm solid TCT blades, the TCMPL offers the perfect combination of power and balance with excellent grip for safe, one-handed operation. Utilising twin 60mm solid TCT blades, the TCMPL offers the perfect combination of power and balance with excellent grip for safe, one-handed operation. The 420W motor and 60mm planing width make this planer ideal for fast material removal on small to medium-sized workpieces. Up to 1.5mm of material can be removed in one pass, and the adjustable planing depth with 3 bevelling grooves ensures flatness and improves cutting accuracy. A power lock-off switch prevents accidental operation, and the foldaway blade protection foot prevents damage to the blades when the planer is resting on a surface.

- 60mm planing width and 0 - 1.5mm adjustable planing depth is ideal for fast material removal on small to medium sized tasks

Technical Specification

Product Height	130mm
Product Length	310mm
