

450W Mini Planer 60mm

TMNPL

The TMNPL Mini Planer is powerful, easy to handle, and includes all the features of a conventional-sized planer and more. Utilising twin 60mm reversible blades, the TMNPL offers the perfect combination of power and balance with excellent grip for safe, one-handed operation, while cutting at 32,000cpm. The 450W / 3.8A motor and 60mm planing width make this planer ideal for fast material removal on small to medium-sized workpieces. Adjustable planning depth of up to 1.5mm at 60mm wide. Features two sizes of V-grooves for chamfer edge planning A safety lock-off button prevents accidental operation, and the foldaway blade protection foot prevents damage to the blades when the planer is resting on a surface.

- Powerful and compact 450W motor provides ample power for a range of planing tasks on small to medium-sized workpieces
- Traditional planer design and anti-vibration rubber over-moulded handle improves control when planing
- On-board tool storage allows quicker blade change and maintenance
- Adjustable planing depth control is easily accessible and enables precise planning up to 1.5mm in each pass
- 60mm planing width and up to 32,000 cuts per minute for fast material removal
- 2-size chamfer v-grooves for versatile edge planing

Technical Specification

Product Height	150mm
Product Length	290mm
Product Width	130mm
Product Weight	2.3kg
Power	450W
No Load Speed	16,000rpm
Sound Pressure LP	LPA=84,7dB(A)
Sound Power LW	LWA=95,7dB(A)
Blade Type	HSS Chongqing blade
Finish	Plastic
What's in the box - 01	1 x TMNPL 450W Mini Planer
What's in the box - 02	1 x 8mm Wrench (on product)
What's in the box - 03	1 x Dust bag
What's in the box - 04	2 x HSS blade
What's in the box - 05	1 x Manual
