

1200W Belt Sander 100mm

T41200BS

Triton's T41200BS Belt Sander is host to many significant features, from variable speed control for improved versatility, to belt tracking adjustment for accurate alignment of the sanding belt. Fitted with a powerful 1200W motor and with a large sanding surface area (100 x 156mm), the T41200BS sands with increased material removal rate and improved work rate. The supplied inversion clamps and bench mounting mat enable the belt sander to be quickly and easily transformed into an efficient bench-mounted sanding unit by fitting to a stable workbench. For a cleaner, safer working environment, the T41200BS is fitted with a rear dust port that connects to the dust bag supplied with the tool, or can be connected to a dust extraction system.

Technical Specification

Product Height	181mm
Product Length	410mm
Product Width	181mm
Product Weight	6kg
Power	1200W
No Load Speed	200-400m/min
Wheel Speed	2550rpm
Dust Extraction	Yes
Finish	Plastic
What's in the box - 01	1 x Belt Sander
What's in the box - 02	1 x Sanding belt 80 grit (fitted on machine)
What's in the box - 03	1 x Sanding belt 100 grit
What's in the box - 04	1 x Sanding belt 120 grit
What's in the box - 05	1 x Dust collection bag
What's in the box - 06	2 x Clamps
What's in the box - 07	1 x Bench mounting
