

450W Palm Belt Sander 64mm

TCMBS UK

Triton's TCMBS Palm Belt Sander features an efficient 450W motor that produces ample power to ensure a high rate of stock removal across a broad range of materials. Delivering ample power for a high rate of stock removal across a broad range of materials, the flush side allows sanding up to the edge of the workpiece. For confined areas or intricate projects, the small diameter front roller allows sanding in tight, awkward spaces. Fitted with a comfortable, over-moulded grip and dust extraction port for safe, clean working, the Triton Palm Sander is designed for on-the-spot convenience and makes light work of most common sanding applications.

- Efficient 450W motor makes light work of common sanding applications
- Fits neatly in the palm for single-handed use
- 64 x 406mm belt for intricate work
- Comfortable lock-on function
- Quick-release belt lever
- Flush side for sanding up to the edge of the workpiece
