

200W Orbital Palm Sander 1/4 Sheet

TQTRSS UK

The Triton TQTRSS 200W Orbital Palm Sander 1/4 Sheet offers lightweight, versatile sanding with exceptional comfort provided by the rubber over-moulded grip. The powerful 200W motor with a orbital action makes the 1/4 Sheet Sander ideal for use in a variety of sanding and smooth finishing applications. The dual hook and loop and clamping sanding sheet attachment system provides security and versatility, making selecting and fitting the right sanding sheet type quick and easy. Supplied with a high quality punch plate to allow any compatible sanding sheet to be used with the integrated dust extraction system.

- Powerful 200W motor provides ample power for the most demanding sanding tasks
- Orbital sanding action for fine, even sanding
- Dust extraction port for increased operator safety and cleaner work areas
- Hook and loop backing pad and clamp attachment accommodates a wide variety of sanding sheets
- Ergonomic rubber over-moulded grip for low vibration and improved user comfort
- Soft carry case for convenient, transportable storage
- 3 sanding sheets, dust collection canister and punch plate for different sanding applications and effective dust extraction

Technical Specification
