

280W Random Orbit Sander 125mm

TROS125 UK

A random orbit sander is only as good as the finish it can achieve. Triton's TROS125 is a powerful yet compact sander with a 125mm hook-and-loop backing pad. " Featuring a multiple-holed dust extraction backing pad and supply of high-quality mesh sanding sheets, the TROS125 redirects even the finest dust away from the work surface, leaving the face of the tool cleaner for longer, which allows more time to produce a quality finish. Equipped with a 360° rotating dust port, the random orbit sander can be connected to a workshop vacuum positioned wherever it is needed around the work surface, which optimises workspace, and prevents tangles or upsets to the balance of the tool.

- Powerful and compact 280W variable speed motor provides ample power for a range of sanding tasks
- Random orbit sanding action improves the quality of the sanded finish
- 360° positioning of the dust extraction port increases operator comfort and safety while keeping the work area clean
- Vibration-reducing rubber over-moulded palm grip provides comfort in prolonged use
- Compact and ergonomic design increases manoeuvrability when sanding
- Includes soft case for convenient storage, dust bag and 3 x mesh sanding discs

Technical Specification

Product Height	330mm
Product Length	175mm
Product Width	130mm
Product Weight	1.75kg
Power	280W
No Load Speed	7000 - 12,000min-1
Sound Pressure LP	75.4dB
Sound Power LW	86.4dB
What's in the box - 01	1 x Orbital sander
What's in the box - 02	1 x Dust bag
What's in the box - 03	1 x Mesh sanding disc 80grit
What's in the box - 04	1 x Mesh sanding disc 120grit
What's in the box - 05	1 x Mesh sanding disc 220grit
What's in the box - 06	1 x Dust port adaptor
What's in the box - 07	1 x Carry bag
What's in the box - 08	1 x Manual
Material - Primary Construction	Plastic

What's in the Box

- 1 x Orbital sander
- 1 x Dust bag
- 1 x Mesh sanding disc 80grit
- 1 x Mesh sanding disc 120grit
- 1 x Mesh sanding disc 220grit
- 1 x Dust port adaptor
- 1 x Carry bag
- 1 x Manual

Variable Speed

7000 - 12,000rpm
