

650W Portable Oscillating Spindle Sander

TSPSP650

Triton's TSPSP650 Portable Oscillating Spindle Sander provides the flexibility of a portable handheld edge sander and the stability and precision of a bench-mounted spindle sander. The powerful 650W motor delivers a variable speed of 1800-3200rpm, oscillating at 50-90opm, making it an ideal workshop or worksite sander for cabinetry, sign making, sink openings, and general woodworking. Featuring a dual-action rotating and vertical oscillating spindle, the TSPSP650 provides controlled, precise, burn-free sanding every time. Various diameter drums and sanding sleeves (13, 19, 26 and 38mm) come with the tool, which can be changed quickly and easily tool-free with the quick-change system. The complete kit also includes the inverted bench-mounting set, dust port adaptor and adjustable edge guide.

- Powerful 650W motor delivers a variable speed of 1800-3200rpm
- Variable oscillation of 50-90opm minimises chance of burnout on workpiece
- Various diameter drums and sanding sleeves for a variety of sanding tasks
- Tool free, quick-change system for changing drum size
- Non-slip matt and bench clamps for inverted bench mounted spindle sanding
- Rear dust extraction port improves work place safety when connected to dust extraction system
- Adjustable edge guide allows precise edge sanding

Technical Specification

Product Height	261mm
Product Length	262mm
Product Width	84mm
Product Weight	2.2kg
Finish	Plastic
What's in the box - 01	1 x TSPSP650 Portable Spindle Sander
