

3.5A Oscillating Spindle & Belt Sander

TSPST450

Triton's TSPST450 Oscillating Spindle and Belt Sander offers versatility and outstanding performance for a precise finish to woodworking projects every time. The large 17" x 16" cast aluminium table features a 0-45° tilting front section (8-5/8" x 16"), allowing accuracy in sanding flat or angled surfaces for a variety of workpieces. By featuring a spindle and belt sander, this allows fast and easy switching between the different sanding modes as the woodworking project requires. Combined rotating and vertical sanding action minimises the chance of burning or ruining workpieces and easily improves work rate. Comes supplied with the belt sander unit, 5 x throat plates, 4 x drum washers, 4 x drums, 5 x sanding sleeves, 4" dust port adaptor and a spindle wrench.
