Battery Safety

WARNING: Li-Ion batteries, if incorrectly used, stored or charged are a fire, burn and explosion hazard.

- Keep the battery out of reach of children
- Only charge Li-Ion batteries using the charger provided or designed specifically for your product
- Only use Li-Ion batteries provided with a product or specifically designed to be compatible
- Allow batteries to cool for 15 minutes after charging or heavy use. Failure to follow these instructions may cause overheating or fire
- When not in use batteries should be stored at room temperature (approximately 20°C/68°F)
- Ensure that battery contacts cannot accidentally short in storage. Keep batteries clean; foreign objects or dirt may cause a short. Keep away from other metal objects, for example paperclips, coins, keys, nails and screws
- Under abusive conditions, liquid may be ejected from the battery. This liquid may cause skin irritation or burns. Avoid contact. If contact accidentally occurs, flush with water. If liquid contacts eyes, seek medical help
- DO NOT open, disassemble, crush, heat above 60°C or incinerate. Do not dispose of in fire or similar

Warranty

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

This product is covered by a 36 month warranty.

This warranty will not apply:

- (i) where this product has been subjected to misuse, abuse, accident or want of care;
- (ii) where this product has been used for a purpose for which it was not designed or is not suited;
- (iii) where the service of this product has been undertaken by a non-authorised person or company or if non-approved parts have been used;
- (iv) where this product has been used for industrial purposes.

Should service become necessary during the warranty period, the purchaser should contact an Authorised Service Centre or White International. In order to obtain warranty service, the purchaser must present the store receipt showing the name of the retailer and the date of purchase.

Instructions

Please note the following:

- The battery is supplied in a low charge condition. Charge before use
- Only charge this battery with the charger provided with your power tool
- Refer to the main manual provided with your charger or power tool for charging instructions
- Remove the battery as soon as possible from the charger when fully charged

Disposal

Always adhere to national regulations when disposing of batteries that are no longer functional.

- Discharge batteries before disposal
- DO NOT dispose of batteries with household waste
- DO NOT dispose of by incineration, which may release toxic materials or gases plus a risk of explosion
- Contact your local waste disposal authority for information on the correct way to dispose of batteries

The period of the warranty begins from the original date of purchase, notwithstanding any subsequent repair or parts replacement.

Purchaser shall be responsible for all transport charges to and from the Authorised Service Centre.

Damage in transit is not covered by this warranty. The purchaser should remove from the product any liquids (if applicable) before sending the tool for service or repair. The tool should be packed securely to prevent damage.
