

## 710W Duo Dowel Jointer

### TDJ600

Offering precise control of height, depth and angle of drilling, the TDJ600 Duo Dowel Jointer drills two holes at 32mm centres in a single action.

Quick, accurate adjustment of material thickness is easy with the rack and pinion mechanism, whilst the clear, calibrated viewer enables precise set-up and execution.

Ideal for forming strong, reliable, edge-to-edge and mitre corner joints, the Duo Dowel Jointer creates accurately spaced joints along the length of the workpiece.

#### ADJUSTABLE FENCE

Adjustable 0-90° fence accommodates all angles & applications

#### VARIABLE DRILL DEPTH

Variable drill depth settings meets the precise requirements for each joint

#### RACK & PINION

Rack & pinion system for easy, accurate and repeatable height adjustment

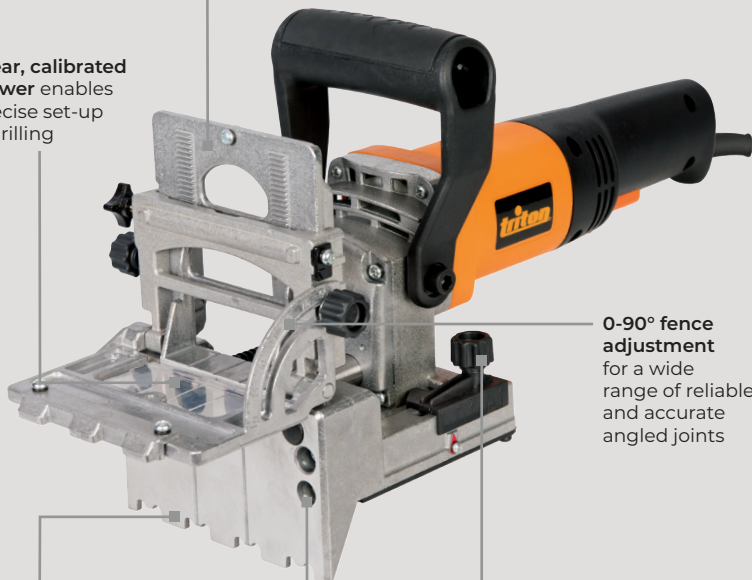

#### TECHNICAL PERFORMANCE

No Load Speed:	17,000rpm
Drilling Depth:	0 – 38mm
Dowel Spacing:	32mm
Dowel Angle:	0- 90°
Dowel Size Included:	2 x 8mm

Rack and pinion adjustment system allows accurate adjustment for material thickness

Clear, calibrated viewer enables precise set-up & drilling

0-90° fence adjustment for a wide range of reliable and accurate angled joints

Jig teeth for exact drilling of repetitive holes at pre-set sizes

Double drilling for fast, accurate jointing

Variable drill depth settings meet the precise requirements of each joint

Dimensions (L x W x H):	345 x 154 x 212mm
Weight	2.2kg

"I use this on a daily basis and it has never let me down, very easy to use and very easy and quick to swap over the drill bits, I am really pleased with my purchase."

- Julian Gardner

#### WHAT'S IN THE BOX

1 x TDJ600 Dowel Jointer
2 x 8mm Drill Bit
1 x Hex Key
1 x Pair Carbon Brushes
1 x Instruction Manual
