

T20 BRUSHLESS PLANER 82MM 20V

T20PLBL

The Triton T20PLBL Brushless Planer showcases a trusted and traditional planer design with ergonomic, vibration-reducing rubber grips for user comfort and control. Operating with a high-performance 20V brushless motor, the quality 82mm wide dual-blade cutting head allows 28,000 cuts per minute, resulting in smooth wood planing and a perfectly fine finish.

The depth adjustment dial with 0.2mm indexed fine adjustment allows accurate planing and precise material removal up to 1.6mm depth of cut in a single pass. The generous front and rear shoes provide improved planing stability.

LI-ION BATTERY

5.0Ah 20V
Li-ion battery &
fast intelligent
charger

REVERSIBLE BLADES

Dual-bladed
cutter head

BRUSHLESS POWER

Efficient &
long-lasting
brushless
technology

TECHNICAL PERFORMANCE

No Load Speed:	14,000min ⁻¹
Cuts Per Minute:	28,000cpm
Planing Width:	82mm
Planing Depth:	0 – 1.6mm
Rebate Depth:	9mm

Edge clearance
allows rebate
planing
up to 9mm
in depth

Traditional ergonomic planer design
