

## 760W Biscuit Joiner

### TBJ001

**Robust biscuit joiner with strong cast-aluminium base, fence and housing for precision and durability. Produces sturdy joints for many furniture and shelving applications.**

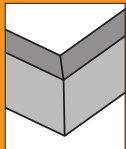

The powerful 760W motor and razor-sharp blade create quick, clean pockets with the minimum of fuss. The 0-90° tilt fence and 0-40mm height adjustment ensure absolute accuracy and identical repeat cuts.

All-metal gearing and quality internal components promote a long, high-performance life. Hinged design and safety spindle lock allow safe and simple blade maintenance.

#### STRONG JOINTS

Produces fast, strong joints for furniture & shelving construction

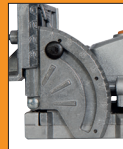

#### FAST OPERATION

6-position turret stop for easy biscuit size selection

#### EASY & ACCURATE

Easy cutting angle & height adjustment

#### TECHNICAL PERFORMANCE

Razor-sharp blade creates quick, clean pockets

0-90° tilt fence and 0-40mm height adjustment ensure accurate, identical cuts

|                         |                   |
|-------------------------|-------------------|
| Dimensions (L x W x H): | 460 x 138 x 145mm |
| Weight                  | 2.65kg            |

"I bought this joiner and used it in several projects where I formally applied dowels or tenons used in grooves made with a router. I am surprise by the convenience of this machine and happy with it's performance, So I should have bought it long before."

**Huub Nuijens**

#### WHAT'S IN THE BOX

|  |
|--|
| 1 x TBJ001 Biscuit Joiner                        |
| 1 x Blade (Pre-fitted)                           |
| 1 x Auxiliary Handle                             |
| 1 x Dust Bag                                     |
| 1 x Pin Spanner                                  |
| 1 x Hex Key                                      |
| 75 x Biscuits (25 x size #0, 25 x #10, 25 x #20) |
| 1 x Soft Carry Bag                               |
| 1 x Instruction Manual                           |
