

1200W BELT SANDER 75MM

TA1200BS

Triton's iconic TA1200BS has market-leading dust extraction, which, when fitted with the dust bag or a dust extraction system, collects up to 30% more particles than other top brands. The recent addition of the graphite anti-friction plate on the sanding base reduces heat, reduces gumming of the paper, and reduces tool wear.

A powerful, variable-speed 1200W motor drives the sanding belt from 200 to 450m/min and is complemented by the lock-on button, which provides convenience and comfort during extended use.

GRAPHITE SANDING BASE

Anti-friction graphite plate reduces heat production

CLEANER SANDING

Redesigned belt & roller assembly extracts & collects up to 30% more dust

STABLE INVERTED SANDING

Large flat-top & inversion clamp kit for inverted sanding

TECHNICAL PERFORMANCE

No Load Speed:	wheel 2500min ⁻¹
Belt Speed:	200 – 400m/min
Sanding Area:	75 x 150mm
Belt Size:	75 x 533mm
Invertible:	yes

Trigger control & lock-on button enable comfortable, prolonged, heavy duty sanding

Class-leading dust extraction connects to dust bag or extraction system for cleaner sanding & safer working environment

Flat top & inversion clamps transform handheld tool into an effective, stable bench-mounted sander

Powerful 1200W motor with variable speed control improves versatility when working with the toughest wood surfaces

Graphite anti-friction base plate reduces heat, reduces gumming of paper, & reduces tool wear

Redesigned belt & roller assembly assists extraction to collect up to 30% more dust particles compared to other leading brands

Adjustable bail handle & ergonomic vibration-reducing grips minimise user fatigue

Dimensions (L x W x H):	410 x 120 x 145mm
Weight	5.15kg

"Recently purchased the Triton TA1200BS. It's the best belt sander you can find at the moment. Used it to sand a wooden floor. Really easy and powerful in use. Solid machine at a decent price."

Faizel Soebhan

WHAT'S IN THE BOX

1 x TA1200BS Belt Sander
3 x Sanding Belts (80G, 100G, & 180G)
1 x Dust Bag
2 x Bench Clamps
1 x Instruction Manual
