

450W MINI PLANER 60MM

TMNPL

The TMNPL Mini Planer is powerful, easy to handle, and includes all the features of a conventional-sized planer.

Utilising twin 60mm reversible blades, the TMNPL offers the perfect combination of power and balance with excellent grip for safe, one-handed operation, while cutting at 32,000cpm.

PRECISION TO THE EDGE

Dual V-grooves of different depths for precise chamfering

PRECISION DEPTH

Adjustable 6-stop depth control for precise material removal 0 - 1.5mm

SUPERIOR PERFORMANCE

Powerful, compact 450W motor & dual-blade 60mm drum

Rear parking rest retracts during operation

Dimensions (L x W x H):	290 x 130 x 150mm
Weight	2.3kg

"As a floor fitter... I got sick of carrying about my big heavy planer. The 450W mini planer was half the weight. What a cracking little planer it is! I would highly recommend this planer for those small jobs"

Dale McCormack
