

T20 2.0AH LI-ION BATTERY 20V

T20SB2AH

The T20SB2AH is a fast-charging 2.0Ah Li-ion battery, compatible with the Triton T20 range of cordless brushless power tools.

Built with high performance lithium-ion cells, the T20SB2AH is capable of 500-1500 charge cycles, and with no memory effect and very low self-discharge promoting long life and fade-free power. Featuring a built-in, button-operated charge indicator, you'll know how much charge you have left at all times during the task at hand.

FAST CHARGING

Fast charging minimises downtime

HIGH PERFORMANCE

Li-ion battery cells for long life & fade-free power

QUICK-FIT DESIGN

Allows fast switching between batteries

TECHNICAL PERFORMANCE

Voltage:	20V
Capacity:	2Ah / 40Wh
Charge Time:	55mins (T20BCL Fast Charger)
Dimensions:	109 x 78 x 50mm
