

# 120W Whetstone Sharpener

## TWSS10

Fitted with a pre-dressed, high-grade 220 grit grindstone and leather honing wheel, the Triton Whetstone Sharpener produces a polished, razor-sharp edge on cutting and shaping tools.

Used in conjunction with the supplied honing compound, the leather honing wheel delivers a finely polished finish, ideal for hand tools, knives, plane irons, chisels and other wood carving tools.

Blade or tool edges won't overheat or lose their sharpness due to the water-cooled, slow speed of the whetstone sharpener. Using the support arm, angle guide and jig, it is easy to shape and sharpen a blade precisely to the angle required.

### LONG LIFE

Smooth & efficient, long-life induction motor

### QUALITY GRINDSTONE

Water-cooled, high-grade, pre-dressed grindstone

### VERSATILE SHARPENING

An extensive range of specialised jigs available

### TECHNICAL PERFORMANCE

No Load Speed:	125min <sup>-1</sup>
Grindstone:	250mm dia x 50mm 220grit
Honing Wheel:	230mm dia x 30mm
Drive:	Induction motor
Adjustable Torque:	Yes

Smooth 120W induction motor provides quiet & efficient operation

Leather honing wheel for a razor-sharp, polished edge

Support arm & straight edge jig maintain correct sharpening angle

High-grade 220 grit grindstone sharpens steel edges efficiently & reliably

Water trough keeps the stone wet & the grinding surface cool, preventing overheating

Rubber feet keep the machine steady & minimise vibration

Dimensions (L x W x H):	345 x 370 x 270mm
Weight	14.9kg

"Quite a remarkable machine to sharpen your tools. Easy to use, functional and accurate in sharpening with affordable price. I totally recommend it."

**Giorgos Nikas**

### WHAT'S IN THE BOX

1 x TWSS10 120W Whetstone Sharpener
1 x 220 Grit Grindstone
1 x Water Trough Attachment
1 x Leather Honing Wheel
1 x Honing Metal Polish
1 x Grinding Angle Set-Up Jig (TWSGAJ)
1 x Support Arm
1 x Stone Grader (TWSSG)
1 x Straight Edge Jig (TWSSEJ)
1 x Spanner
1 x Instruction Manual
