

650W Portable Oscillating Spindle Sander

TSPSP650

Triton's TSPSP650 Portable Oscillating Spindle Sander provides the flexibility of a portable handheld edge sander and the stability and precision of a bench-mounted spindle sander.

The powerful 650W motor delivers a variable speed of 1800-3200rpm, oscillating at 50-90opm, making it an ideal workshop or worksite sander for cabinetry, sign making, sink openings, and general woodworking.

Featuring a dual-action rotating and vertical oscillating spindle, the TSPSP650 provides controlled, precise, burn-free sanding every time.

BENCH-MOUNTING KIT

Inversion kit transforms portable handheld into stable bench-mounted spindle sander

FASTER WORK RATE

Dual-action rotating & vertically oscillating spindle

KEYLESS DRUM CHANGE

Keyless drum & sleeve change allows fast switching between sanding diameters

TECHNICAL PERFORMANCE

No Load Speed:	1800 - 32,000min ⁻¹
Oscillations:	50-90opm
Stroke Length:	6.5mm
Sanding Drum Dia:	13, 19, 26 & 38mm
Sleeve Length:	76mm

Variable speed adjustment for precise control of the 1800-3200rpm

Ergonomic rubber over-moulded grips for low vibration & improved user comfort

Non-slip bench mat & inversion clamps convert the sander into an effective bench-mounted spindle sander

Multiple sanding diameters in 13, 19, 26, 38mm for use in a wide range of sanding tasks

Dual rotating & vertical oscillation action for fast material removal & burn-free sanding

Keyless locking bolt allows quick changing of pre-loaded sanding drums

Dimensions (L x W x H):	262 x 84 x 261mm
Weight	2.2kg

"Well-made and sturdy piece of machinery, a great addition to anybody's tool kit"

Terry Moss

WHAT'S IN THE BOX

1 x TSPSP650 650W Portable Oscillating Spindle Sander
4 x Sanding Sleeves (80G)
3 x Sanding Drums
1 x Edge Guide
1 x Pair Bench-Mounting Clamps
1 x Bench-Mounting Mat
1 x Dust Port Adaptor
1 x Instruction Manual
