

450W OSCILLATING SPINDLE & BELT SANDER

TSPST450

Triton's TSPST450 Oscillating Spindle and Belt Sander offers versatility and outstanding performance for a precise finish to woodworking projects every time.

By featuring a spindle and belt sander, this allows fast and easy switching between the different sanding modes as the woodworking project requires. Combined rotating and vertical sanding action minimises the chance of burning or ruining workpieces and easily improves work rate.

Comes supplied with the belt sander unit, 5 x throat plates, 4 x drum washers, 4 x drums, 5 x sanding sleeves (80G), 100mm dust port adaptor and a spindle spanner.

TECHNICAL PERFORMANCE	
No Load Speed:	2000rpm (spindle) / 480m/min (belt)
Oscillations:	58opm x 16mm stroke length
Table Size:	430 x 410mm
Tilting Table Angle:	<45°
Sleeve Sizes:	13, 19, 26, 38 & 51mm dia x 115mm length
Belt Size:	100 x 610mm

VERSATILITY

Dual configuration spindle & belt sander

FASTER WORK-RATE

Dual action rotating & vertically oscillating

PERFECT RESULTS

0-45° tilting table for edge work & easy chamfering

Dual action rotating & vertically oscillating spindle for faster sanding, improved work rate, & reduced burn to the workpiece

Double configuration with fast, easy changing between spindle sander & belt sander minimises used workshop space with two machines-in-one

Stable work stop acts as a belt sander guide, which can be removed when spindle sanding

Large 430 x 410mm cast-aluminium table with 220 x 410mm tilting front for chamfering & edge work

0-45° tilting table section features easy, tool-free adjustment

On-board tool storage for drums, sleeves, belt unit, throat plates, washers, & spanners to keep accessories close at hand

Supplied with 5 x 80G sanding sleeves 13-51mm dia with matching drums & 1 x 80G belt

Dimensions (L x W x H):	435 x 470 x 450mm
Weight	12.9kg

"I love this sander. The many features make it very easy to set up, adjust and use. I especially like that all parts and accessories are stored right on the machine and the 3-year warranty is amazing. Thank you for a great product!"

Robert R Murray
