

T20 BRUSHLESS PLUNGE TRACK SAW KIT 165MM 20V

T20TS165BLKIT

The Triton T20TS165BL Brushless Plunge Track Saw operates with a compact, high-efficiency motor and constant speed under load electronics to maintain torque and power on every project. The T20TS165BL cordless track saw is perfectly designed for freehand or track-mounted cuts on wooden floorboards, countertops, and other similar applications.

Featuring a bevel range of -1° to 47° with front and rear bevel locks, and track tilt-lock to keep the saw on track, allowing for precise bevel cutting every time. The vibration-reducing rubber over-moulded grips, paired with soft start and variable speed, give the user greater control and comfort, while the integrated plunge lock prevents accidental start-up and ensures improved user safety.

LI-ION BATTERY

5.0Ah 20V
Li-ion battery &
fast intelligent
charger

SPRING-LOADED RIVING KNIFE

Anti kickback
technology for
safer straight &
plunge cutting

BRUSHLESS POWER

Efficient &
long-lasting
brushless
technology

TECHNICAL PERFORMANCE

No Load Speed:	2200 - 4200rpm
Bevel Range:	-1° to 47°
Blade:	165mm x 20mm
Max Cutting Depth:	58mm (without track) 54mm (with track)
Dust Port Dimensions:	Inner 35mm, Outer 39.7mm
Charge Time:	130 mins (5.0Ah)

Vibration-reducing
rubber over-moulded
grips for user comfort
and control during
operation

High-performance,
brushless motor
for class-leading
performance and
long life

Bevel range -1° to 47°
with front and
rear bevel locks
for accurate
bevel cutting

Safety plunge lock
prevents accidental start

Soft start with
variable speed and
electric brake allows
total control over
the blade during
operation
maintenance

TTSTP Track &
Connectors included
(2 x 700mm) plus TTSWC work
clamps and storage bag

Track tilt lock
keeps saw on
track when
bevel cutting

Efficient dust extraction
with rotating dust port
and easy-to-empty
canister for a cleaner,
safer workspace

Dimensions (L x W x H):	332 x 263 x 206mm
Weight	2.1kg

WHAT'S IN THE BOX

1 x T20TS165BL T20 Brushless Track Saw 165mm
2 x Hex Keys
1 x Dust Canister
1 x Dust Port Adaptor
1 x 5Ah 20V Li-Ion Battery
1 x Battery Charger
2 x Carry Bags
2 x TTSWC Work Clamps
1 x TTSTP Track & Connectors (2 x 700mm)
1 x Instruction Manual
